Proceedings

Mr. Tsien appeared for the police.

Mr. Tsong, Eh Koh appeared for the accused.

Accused :- I have never been convicted before. I came to Shanghai in August 1930.

Here accused's finger prints were handed down to Police Advocate by judge.

Accused :- I know one named Tsung Tsi Tsau through his brother but I do not know Tsong Ts Tsar or Tsang Tai Tsung.

Mr. Tsien :- The Police have no objection to accused being handed over to the P.S.B. if they can prove that the accused's name is Foo Sih Sien.

Rep. of P.S.B Tsang Tsing Tai :- Woo Ming is in Bank ng at present. When the two letters were seized accused admitted that he wrote them. I will sign a bond to the effect that what I have testified to the Court is true.

Accused :- The letters were written by a man named Sih who asked me to post them. I did not say that they were written by me.

Residing Judge :- The representative of the P.S.B. stated, that the accused admitted writing the letters which were written in the name of Sih Sien, so this goes to prove that the accused is the wanted man.

Mr. Tsien :- If the court is satisfied with the evidence, given by the detective of the P.S.B. then I ask that the Court, render its decision according to law.

Accused :- The chop produced by the court is not mine. Someone left the chop in the basket. When my friend wanted to leave any-

thing with me, I could not refuse him. I did not know what the contents of the parcel was. The letters were handed to me by my friend and if he was a communist he would not have mentioned it.

Mr. Tong for the defence:- I ask the court that the accused be not handed over as the U.S.B. have not proved that this name is Foo Sih Sien and also the a is no proof that the letters were written by the accused.

Here the presiding judge adjourned to chambers for consultation.

Judge on returning to court:- Accused will be handed over.

Mr Tong for defence :- What are the reasons for accused being handed over.

Judge :- There are four outstanding points (1) accused has been implicated by Woo Ming in custody of the U.S.B. (2) Two letters were found in the accused's room, written in the name of Sih Sien, which is the name of accused (3) The previous conviction of the accused and (4) The conviction of one named Soong Tse T'ou.

Attorney for defence :- I would like to appeal for accused against the ruling of the court and ask that the accused be detained at the police station concerned during the period of appeal.

Judge :- Although you are going to appeal it will not affect the execution of the ruling of this court.

Decision Accused allowed to be handed over to the Public Safety Bureau.
Properties allowed to be taken away.

Mr. Lea appears for the Police.

1st:- I live at 218, Myburgh Rd., and am a native of Hupeh. I worked for the Commercial Press.

2nd:- I am a native of Kiangying and live at 255, Wuting Rd., I was a book-binder but am now unemployed and living with friends.

1st:- I do not know the accused in the last case (See Case No. 5/54655). I went to Yates Road to visit a Cantonese who used to work at the Commercial press and who was a friend of my uncle. He wrote me that he was living there and asked me to go to see him as he could get me a job. I had also received a letter from my family saying that they had had some trouble by reason of sickness and asking me to come home so I intended to tell my friend this but when I arrived at his address I was arrested.

Mr. Lea:- Detectives had been posted at the address and arrested this accused when he arrived. He said that he wished to see a man named Tsang. As he was being escorted to the Station he ran away on Avenue Road but was overtaken and re-arrested. These accused are not acquainted with the accused in the last case. Nothing was found at the Myburgh Road address and there is no Cantonese living at the Yates Road address. The 2nd. accused was arrested later at the same place and he knows the accused in the other case (Dzung Chi Ming). The latter had promised him a job. Nothing incriminating was found in his house at Wuting Road and there is very little evidence against either accused but the P.S. Bureau ask that they be handed over. I would suggest that they be let out on security for their appearance when Dzung's case comes up for trial. Dzung says that he does not know them.

2nd:- I met a man named Ching, a native of Shanghai, on Carter Road and asked him to give me a job so he told me to go to Yates Road on the 13th. to see him. I did so and was called upstairs and arrested.

1st:- I cannot furnish security as friends who were formerly in

Proceedings.

Mr. Lea appeared for the Police.

Accused:- I lived at 21, Yates Rd., I have not been charged before.

Mr. Lea:- The Public Safety Bureau asked the assistance of the Police to arrest this accused at the Hwa Shing Li, Yates Road as he is suspected of being concerned with others arrested on the 15th. inst., Due to this latter fact the Police do not desire to hand him over just now. A warrant was issued for his apprehension and the names Woo Sih Siu and Soong Mei are mentioned thereon. The former appellation is really the name of the accused. Some Communistic papers and books were also found (list handed in) together with two letters unposted, addressed to Wuchang and Szechuen. Some photos were also found and some books in a basket. The accused denied that the letters were his and stated that his friend wrote them the previous day and asked him to post them. Some cards and chops were also found but they do not tally with the name of the accused. One of the photos found was that of an accuse named Soong Ts Tsou. The Public Safety Bureau have brought no further evidence against him other than that he was implicated by an arrested man. I submit that, according to the Rendition Agreement he should be tried here as he was arrested here, the property was seized here and he is connected with another case now pending hearing. The accused denied being a member of the Communistic Party but admits being sympathetic to them. He also denies the authorship of the letters although the writing on his written statement is similar (handed in). He was charged once before under the name of Ching Chi Ming.

Jau Tsing Zung, rep of the P.S. Bureau:- The accused was implicated by a man named Woo Ming who surrendered himself himself to the authorities. The latter said that Woo Sih Siu, a native of Szechuen could be found at Yates Road so we obtained a warrant and arrested him with the assistance of the Settlement Police. He was asleep at the time and gave the name of Soong Chi Ming. He admitted writing

Case No. 5/54653. Sheet No. 3.

the two letters on the preceding day and signing them Sih Sing. Some photos were also found so I submit that there is ample evidence for his handing over. Should the Court wish we can bring Woo Ming here to prove that the accused is Woo Sih Sien or alternatively we can apply again for handing over at the conclusion of the case referred to by the Police Advocate.

Mr. Lear:-The accused could be handed over to the P.S. Bureau for examination if it is proven that he was involved but if not then I submit that additional proof must be produced. There will be sufficient time to do this as the other case is likely to be lengthy.

Judge, to Witness:- Please bring a copy of Woo's statement here

Representative:-Woo is now at Hanking.

Accused:-The two letters were written by a friend named Hyui and he asked me to post them. The statement before the Court is in my own handwriting. I am not Woo Sih Sien. He is a native of Szechuan whilst I am a Hupah man. He is a friend of mine however and used to talk to me of the Japanese trouble but never of Communistic theories. The writer of the letter, too, never spoke to me in that strain.

Decision.

The following is the statement of Dzung Chi Ming (陳啟明) 24. M/Unemployed.

and ~~interpreted~~ by Interpreter Chiu.

I am residing at No.21 Hwa Zung Li (華順里) Yates Road. I have studied 8 years in my native country. In August 1930, through my friend Mr.Yih's (葉) introduction, I came to Shanghai and was employed in the Commercial Press, Paoshan Rd, Chapei, as a proof-reader, with salary at \$30 per month. Owing to the conflict between China and Japan this year I was thrown out of my job and removed to the present address. I never joined any party. On the morning of 15th, April 1932 members of the S.M.P. and Shanghai Public Safety Bureau came to my room to search and from one of the baskets they found 1 book and some papers which proved to be communistic literature. The book and papers are the belongings of my female friend Soong Ts Tseu (宋子洲) she is a student of an Arts School, Market Street French Town. Her brother Soong Yue Chun (宋午筠) was a fellow clerk of mine when I was at the Zung Yue Transport Co. Nyichong, Hupei. I knew Soong Ts Tseu last year when she came to Shanghai and visited me with a letter of introduction written by her brother. She placed the stuff in my room at the end of last year on account of the school being closed for holidays and promised to take it away when school re-opened. I didn't know the contents of the basket was communistic literature. I never joined any union or any communistic party. In Shanghai I live with my wife Dzung Tsang Sz (陳張氏) only. I have no relations and I have never been charged before.

Signed: Dzung Chi Ming.
